## **Wanneroo Sports & Social Club (Inc.)**

The Wanneroo Sports and Social Club began its life back in 1962 as the Wanneroo Country Club when a group of like-minded people decided that the area required more facilities than was available at that time. We still have some foundation members associated with the club.

In 1998 it became the Wanneroo Sports and Social Club as we know it today and is a not for profit organisation.

Averaging about 800 members the club is a hub of activity for the local community and is family friendly.

Visitors to the club whilst difficult to quantify would range somewhere between 3000 to 5000 people a year through bowls, darts and the many functions conducted on the clubs premises.

Many facilities are provided by the club for the use of members and visitors.

There is the bar, function rooms, a decked area fitted with electric B-B-Q's, restaurant standard kitchen, snooker and pool tables, darts, TAB facilities, bowling greens and soon we will have a 5 a side soccer venue.

On the sports front we have the bowls sections for both men and ladies, darts and golf.
