PRESIDENTS REPORT

By: Peter Courtney

Hi Members,

Welcome to the 2nd addition of our newsletter for the year. A big thankyou yet again for another couple of successful Pizza afternoons already this year.

Our entertainment committee are working hard to help provide some great entertainment for you in 2019 and we have something for everyone happening every month, so stay posted to see what we have in store for you. Yet again, another sell out Quiz Night on the 9th March. A big thank you to all those businesses that provided donations that made this event a successful evening.

Constitution update: As per the email sent out on the 31 January we are in the process of finalising our new **Constitution**. A **Special General Meeting** will be held on the **17th March, 2019** at the WSSC. The only item on the agenda will be the **Club Constitution**.

WiFi – Sorry for the delay, but things are never easy when connecting to the NBN, we are still working delivering this service so fingers crossed it will be soon.

Footy Tipping: Has JJ mentioned in his email Footy Season is almost upon us. Details of this year's competition, are above. If you are interested in joining please contact JJ or the Club. If you are worried about getting your tips into the club on time, no need to worry, you can email your selection each week or phone them in, "it's as easy as that". It's a great competition to be in with a big day planned for this years' Grand Final celebrations.

First quarter of the year and we are off and running, with another great year of social functions for you.

DARTS REPORT

By: Charlie

Hi Fellow Dart Players,

Well into the second half of the Summer Season our teams are performing well.

Wanneroo Blue are on top of the ladder and playing really well.

Wanneroo Black as usual are racking up those draws and are only one game out of the four.

Wanneroo Green are on top of their ladder in a very competitive competition. It's great to see a team of family members doing so well. Had fun the night Red payed Green!

Wanneroo Red are sitting in fourth spot on their ladder and are starting to play well. Jenny winning crucial games has been a big help.

Everything else is going along fine, keep up the good work with the Friday night raffle.

As from now Le Buss is going to run the Darts section, so if you need anything or want any information please give him a ring.

Bring on the finals. Good arrows

GOLF REPORT

By: Gary Croucher

Hi all,

We are now in to the second half of our season and all eyes are on the remaining fixtures as each members attempts to add to their season long championship points tally.

In January we returned to a popular venue visited each year down at Kwinana. The date coincided with a really hot weekend this summer and it was already in excess of 30 degrees when we teed off before 8am, and it was above 40 degrees when we completed our rounds at lunchtime. It made for tough conditions on a challenging golf course and whilst a number of players struggled as the temperature rose, one of our leading golfers of the year, Steve Moseley had an exception day scoring 41 points. Congratulations and well played Steve.

Moving on to February, we held our social fixture at Wanneroo Golf Club. We had a great turn out with over 20 members and guests playing in both a singles and pairs competition. The singles prize for the day went to Division A player Barry Doyle who won with 40 points. For the pairs competition we drew partners once we got back to the club, this always creates much banter as each group is drawn. After the draw had been completed, Sean Gass and Lee Johnson were victorious with a combined score of 73 points and winning by a single point from the team in second.

Looking forward to the final fixtures of the year, we have games planned at Meadow Springs, Chequers, The Vines and Sun City, so if are keen to play and would like to join us, please add your name to the list on the noticeboard at the club.

With thanks
Gary Croucher
